**M**r Algasamy, 78, widowed, shares a room with another elderly man in a sheltered home for the aged.

He lost his wife to cancer in 1998 and had to stop working as a security guard in 2012 after sustaining a knee injury.

Suffering from chronic illnesses like high blood pressure, high cholesterol, diabetes, heart problem and lower limb weakness, he faced difficulty going for his medical appointments. With no one to accompany him, he could not go for his follow-ups at hospitals and polyclinics.

Prior to his admission to the sheltered home, he was referred to us for medical escort and transport service.

With no savings and little support from family, we waived all charges for the service provided.

Recently, Mr Algasamy even had a chance to visit the Sea Aquarium at Sentosa thanks to our corporate sponsor DHL Global Forwarding. He said, ***"This is my first and probably last time here...I will always remember this"***

Mr Algasamy, 78岁, 寄宿在一家老人院。他身患多病, 行动也不便。因为没人陪同, Mr Algasamy 好几次医院复诊都没去。幸好在住进老人院之前, Mr Algasamy 被介绍给我们。多加家居护理便开始为 Mr Algasamy 提供免费医疗复诊接送与陪同服务。

DORCAS Home Care provides home help service to many of these frail and vulnerable elderly, through meals delivery, escort for medical appointments, housekeeping and personal hygiene assistance. Many of these elderly are from low income background.

Dorcas Home Care depends on donations from the public to keep supporting these elderly with our services so that they are able to remain in the community for as long as possible.
