VISION PCS...2020

Until every Church is a Blessing to the Community

Presbyterian Care Network

Sharing Our Vision

I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing.

Chairman

For almost 40 years, PCS has worked with various partners to impact the community. This long journey has been sustained by many individuals and organizations who shared our vision and mission.

In facing challenges in the changing social landscape, the Executive Committee has put in place a succession plan for Board renewal. Last November we saw the retirement of Mr Wee Char Lee and Mr Johnny Lau from the Board. We thank Mr Wee for his service of 35 years and Mr Lau for serving 36 years. At the same time, we also welcome Mr Leong Kok Ho and Mr Samuel Tan to the Board.

In the area of pre-school education, PCS is rolling out a Values-inspired Purpose (ViP) Curriculum. The Curriculum seeks to lay a good foundation for furthering the character development of the children. Recently, a Special Needs Unit has been set up to offer services to pre-schoolers with special needs and to provide their parents with much needed support.

From being one of the founding members of St. Luke Hospital and St. Luke's Eldercare, PCS is considering to expand its services in the long term care sector. We are working with the Agency for Integrated Care to explore the needs in this area.

I would like to take this opportunity to thank our staff and management, fellow Board members, donors and volunteers who have co-laboured together to impact lives and inspire tomorrow's community today.

Arthur Lim

Chairman

Executive Director

Dear Co-Labourers,

FY 2012/13 was another eventful and fruitful year of serving and meeting the needs of the community. We are heartened by the strong support from our partners and donors.

Last year at our annual planning retreat "Seizing Opportunities and Staying Ahead", we outlined some important strategic thrusts to help in our goal-setting for the years to come. Four critical areas identified are Capability, Profitability, Compassion and Unity. We will continue to review and align ourselves in these four critical areas in order to adapt to the community's needs.

Next year marks an important milestone in the history of the organization – our 40th Anniversary. We will be planning for a modest but meaningful celebration with all our stakeholders. We also hope to gather feedback from all our partners and supporters in planning for the "new way foward" in the next decade.

Let us soar to greater heights in impacting the community together!

Laurence Wee

Executive Director

Impacting our community together

Stewardship Report (FY 2012/13)

In FY 2012/13, PCS touched the lives of some 3053 through our various services islandwide. As we continue to serve and meet the challenges and needs of the community, we are aware that there are still many unmet needs in our midst.

At our organization's planning retreat "Seizing Opportunities, Staying Ahead" in October last year, the retreat started with our Executive Director giving an overview of the organization's current capability and financial position. PCS has grown from strength to strength over the last 39 years with 37 services and 23 centres providing services from infant to eldercare.

The challenge ahead is how we can continue to capitalize on our current strength and seize opportunities for future growth in the next 10 years. Four main key thrusts were identified:

STRATEGIC THRUST 1 Building Capability	**STRATEGIC THRUST 2** Increasing Profitability
• How can PCS build capability to seize opportunities and stay ahead?	• How can PCS stay profitable and competitive?
STRATEGIC THRUST 3 Promoting Compassion	**STRATEGIC THRUST 4** Fostering Unity
• How can PCS promote compassion?	• How can PCS foster unity and alignment with corporate direction?

Our Partners in Social Services:

PCS has a Conflict of Interest Policy in place

It is a challenging environment but with opportunities ahead. It is by staying united and having a collaborative mindset that we are able to forge a new way forward. We would like to thank our partners and supporters for journeying with us.

- Grace Orchard School (True Grace PC & Providence PC)
- Xtreme Youth Zone Inc. (Grace Jubilee PC)
- COPE – Friends of Third Age (Chen Li PC)
- True Grace Student Care Centre (True Grace PC)

PCS Children Services

GROWING AND GLOWING

Since the establishment of the first PCS centre for a playgroup in 1978, the number of centres has expanded to 13, providing a range of children services from infant care, toddler play, childcare to student care.

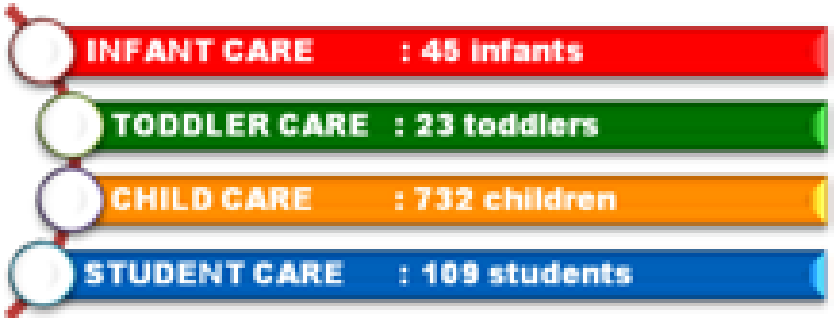
In Nov 2007, PCS was awarded Centre for Specialization in Integrated Childcare for Children with Special Needs by the National Council of Social Service to integrate preschoolers with special needs into the mainstream.

Currently, 6 of our childcare centres are providing such integrated programme for children with learning disabilities and 1 other centre for playgroup toddlers.

In Sep 2012, we proudly shared our joy with Mdm Ong Yock Lan, staff of PCS Ghim Moh Centre, who won the Outstanding Early Years Educarer Award from from Ministry of Social and Family Development.

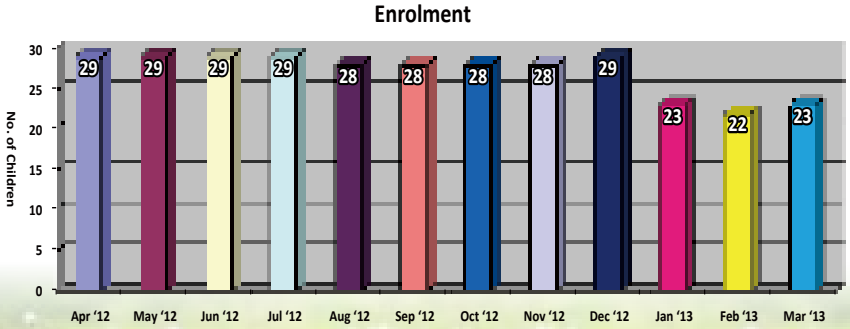
ENROLMENT

As of 31 Mar 2013, the enrolment for various children services in the 13 centres was 909 children.

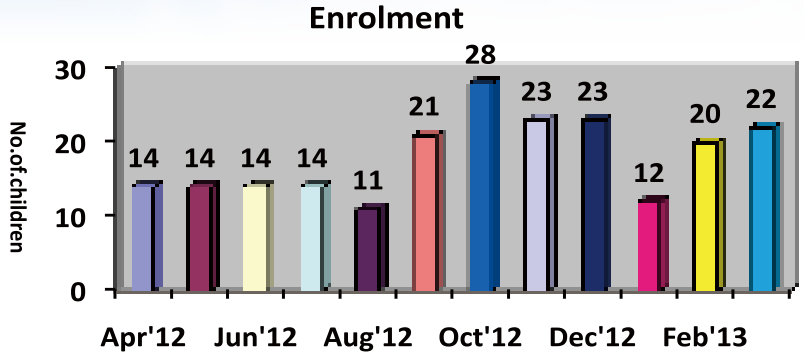


INTEGRATED CHILDCARE PROGRAMME (ICCP)

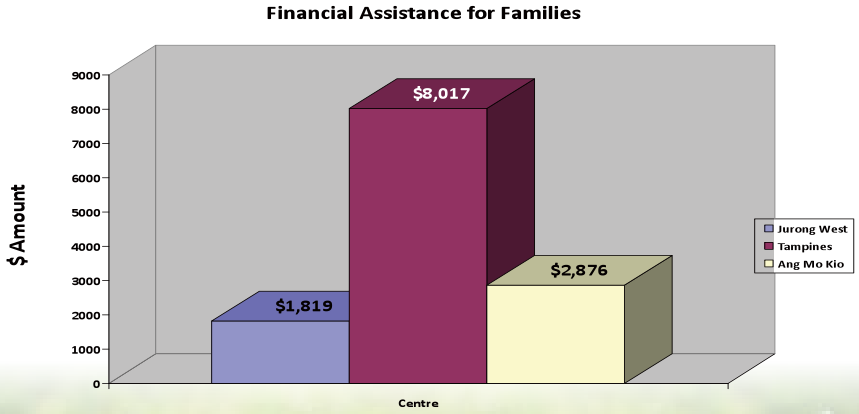
Six of our childcare centres offer the ICCP for children with special needs. Each centre can take up to 10 children.



INTERVENTION CUM EDUCATIONAL PROGRAMME (I.C.E)



FINANCIAL ASSISTANCE FOR FAMILIES WITH CHILDREN WITH SPECIAL NEEDS



CURRICULUM

With almost 40 years of experience in the children educational services and a team of committed Curriculum Specialists, PCS has developed its own in-house curriculum and resources.

Moving forward, PCS will be rolling out a Values-inspired Purpose (ViP) Curriculum, to underscore the importance of laying the foundation for character building and inculcating good values for further holistic development of every child.

PROFESSIONAL DEVELOPMENT

PCS believes strongly in the professional development of staff and has been conducting a series of in-house training courses and workshops every year. These courses and workshops were conducted for work related skills and even for staff personal development.

Caring... for our Children - Making a difference

BUILDING PARTNERSHIP WITH PARENTS

Parents' involvement in a child's learning is of paramount importance and parents are strongly encouraged to participate in the centre's organized activities.

With parents' involvement, teachers have greater accessibility to interact with parents. Such opportunities can build stronger collaboration with parents and help in understanding more of the child's learning needs.

SIGNIFICANT EVENTS

The **Annual Kids' Camp** that the children looked forward to was held on 25 May 2012 at Singapore Zoological Gardens. The theme for the event was "An Adventure at the Zoo" and about 150 children from 10 child care centres participated in the Kids' Camp.

On 24 Nov 2012, parents proudly watched their children marched across the stage to receive their graduation certificates. The occasion marked the **31st Annual Graduation cum Concert** of the graduating K2 children. The children too, put up a series of delightful performances, cheering many hearts as they presented on the theme, "Saturday Matinee". The Guest of Honour for the event was graced by Rev. Goh Hock Mei.

Bouquet from parents...

Making a Difference For Parents and Children...

My son was diagnosed with ASD when he was 3 years old. We found it difficult to find an integrated child care programme that would accept him. We finally found one at Presbyterian Community Services. At first, our son could not talk and express well, and ignored other children. He joined ICE at PCS Tampines childcare and then moved on to ICCP. Through teacher Khatijah and other teachers' guidance, our son has shown improvement in areas of understanding and parallel play. He could follow school routines although at times he gets distracted due to his sensory problems. I thank the teachers for their patience in guiding our son.

Dear Teacher Flori,

For the past few weeks of attending ICE programme, I feel that Brandon has improved, for instance, in completing tasks. He can now fix a 5-piece jigsaw puzzle successfully. I think the idea of picture cards is quite useful to Brandon, as it helps him to request for objects. It also helps him understand better. This will improve his social interaction. I hope that Brandon can qualify for ICCP programme, in order for him to explore, and have a chance to get along with his peers.

Moving Forward

In line with the Ministry of Social and Family Development (MSF) overall efforts to enhance the quality, accessibility and affordability of centre-based childcare, PCS has to find creative ways to recruit and retain quality staff and also to provide innovative programmes. Thus, it is our commitment to continually review our childcare policies, practices and programmes to keep abreast with the rapid changes that are taking place in the childcare industry in recent years.

Caring... for our Elderly - Making a difference

The Challenges of Ageing-in-Place...

Singapore has one of the fastest ageing population. It is estimated that by 2030, 19% of the population will be age 65 and above. The majority of those above 65 years old in Singapore are the young-old aged 65 to 74 years (60.27%). The old-old aged 75 to 84 years formed 30.91% while the oldest-old, aged 85 years and over, formed 8.82%.
(Source: Population Trends 2011 Department of Statistics, Singapore. Available at: http://www.singstat.gov.sg. Accessed 28 April 2012)

To encourage the elderly to age-in-place, accessibility and availability to community support is necessary and vital. **Our mission is to reach out to the frail and homebound elderly and supporting them to live in the community for as long as possible.**

SARAH SAC

The Story of Mdm Koh Kien Hong, 93...

Mdm Koh Kien Hong, 93, lives alone in a 1-room rental flat at 106 Jalan Bukit Merah for many years. She comes to our centre to join our activities and especially enjoys the karaoke session.

During our home visit, we discovered that her house needed some maintenance and repairs. We arranged for a group of volunteers to visit her and give her flat a new look with a new paint job.

A leaking basin and loose window grill was also fixed by a contractor. All jobs were done free of charge.

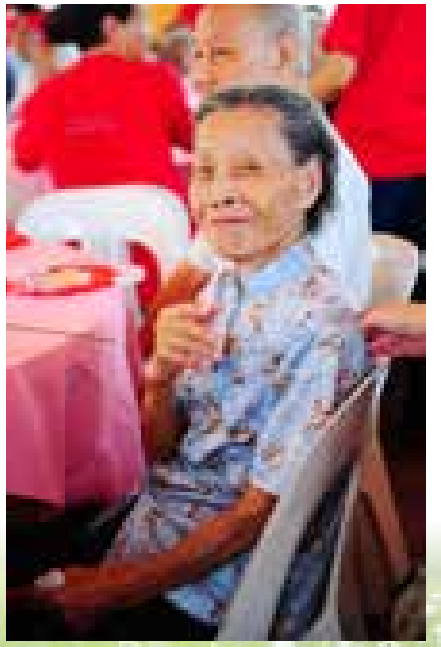
Mdm Koh is happy with the new look of her flat and thanked us and the students for the assistance rendered.

The Story of Mdm Tan Hung, 98...

Madam Tan Hung, 98, is the oldest member of Sarah Seniors Activity Centre. She lives alone in a one-room rental flat. She refuses to stay with her children as she wants to be independent, doing all the house chores and marketing herself.

Perhaps because of living alone, she looks forward to the staff's home visitations and loves to share her life stories with us.

Mdm Tan also enjoys the events organised by the centre. She is grateful for the love and care showered onto her.



Caring... for our Elderly - Making a difference

The Story of Mr Loke Lau Tan, 94...

Mr Loke Lau Tan, 94, is a widower staying at Block 104, Jalan Bukit Merah. He is staying in a two-room rental flat with three of his sons. His children are all working in the day and are not able to spend much time with him.

Mr Loke is a member of Sarah Seniors Activity Centre since 16 October, 2009. He comes regularly to the centre for the community lunch. He also participates in the centre's activities such as Bingo and other activities organized by volunteers. He looks forward to coming to the centre everyday.

However, recently, he was admitted to the hospital for pneumonia. The staff visited him and was told by Mr Loke that he looks forward to be back at the centre again.

SARAH SAC was started in 1998 with the support of MSF and NCSS to serve the elderly residents of Blk 104, 105,106 and 110 Jalan Bt Merah.

EVERGREEN CIRCLE

The Story of Mr Koh Chye Kim, 80...

Mr Koh, 80, and his wife have been staying at Golden Pines Studio Apartment for the past twelve years. Mr Koh keeps himself fit by participating in the daily exercise programme organized by Evergreen Circle every morning.

Despite his gout condition a few years ago, he persevered with his morning exercise routine. Not only is he fitter than he was twelve ago, he has made many friends and developed a more positive outlook in life!

Caring... for our Elderly - Making a difference

The Story of Mdm Soon Nam Kee, 84...

Mdm Soon, 84, is the mother of 8 children. She is staying with her retired son's family. All of them are working during the day so there was no one to spend time with her. She used to spend her afternoons playing cards with her neighbor but was not happy.

Ever since she came to our centre three years ago, she became happier and looked forward to each day. Mdm Soon enjoys the activities organized by the centre and looks forward especially to her favorite karaoke session. She has made many friends now and is grateful for a centre like ours.

Evergreen Circle Neighbourhood Link was started in 2001 with support from MSF to serve the elderly residents of Tampines.

DORCAS HOME CARE

The Story of Mdm Lee Leck Moi, 95...

Mdm Lee Leck Moi, 95, widowed, stays with her adopted son, Beng Soon, 61, in a 2-room flat at Tanglin Halt Rd. Suffering from lower limb weakness, hypertension, cataracts and anaemia, Mdm Lee was referred to us for meals and escort services in March 2010 when her son was hospitalised.

After Beng Soon's discharge, meals were delivered to him too since he was still frail and undergoing recovery.

Caring... for our Elderly - Making a difference

Mdm Lee had a hip-screw insertion last year after a fall which fractured her hip. Since then, she has been wheelchair-dependent. To ensure Mdm Lee's safety, Beng Soon, who does not talk much and often keeps to himself, has to keep an eye on her safety despite his own medical conditions like mental dullness, hypertension and anxiety attacks, rendering him unable to care for Mdm Lee at times.

With hot meals delivered daily to their doorstep and transport provided when Mdm Lee requires it for her medical appointments, it enables them to continue living in the community which they have been so accustomed to, after staying there for more than 30 years.

Dorcas Home Care was established in October 1992. It was jointly set up by the Ministry of Health and PCS, and supported by the National Council of Social Service. We were the first to operate the meals-on-wheels service in Chinatown area. The service was later expanded to include other components of home help service. It now serves the south-western region of Singapore.

	FY 12/13	FY 11/12	
Total Dorcas Clients Served	206	161	+28%
Meals delivered	51,891 pkt	42,073 pkt	+23.3%
Escort	697 trips	598 trips	+16.6%
Home Management*	922 svcs	1142 svcs	-19.3%
Laundry*	558 svcs	604 svcs	-7.6%
Personal hygiene*	160 svcs	380 svcs	-57.9%

* Since November 2012, we ceased to accept referrals for housekeeping, laundry and personal hygiene due to changes in Home Help Service, concentrating on meals and escort services.

EMERGENCY RELIEF SCHEME

The Emergency Relief Scheme (ERS) provides short-term relief to individuals and families in need of temporary financial assistance, regardless of race, religion or nationality. The scheme enables those individuals and families facing hardship to meet their immediate needs while they seek long term help from other sources.

The main eligibility criteria are immediate financial need arising from a sudden death, imprisonment or illness of the primary or secondary wage earner, lack of family support eg. abandonment of the family by a spouse or abandonment of elderly by their children.

This fund was started in September 1995. For the last 17 years, ERS has helped some 2024 applicants and their families, disbursing a total of $1,216,328. For FY 12/13, a total of $38,350 was granted to 77 needy beneficiaries. The sum granted to each applicant varied from $100 to $500 and the period of support ranged between 1 and 3 months.

Our main sources of referrals and approved cases for FY 12/13 came mainly from Voluntary Welfare Organisations (16 %), Family Service Centres (44 %), Hospitals (24 %) and Churches (13 %).

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PRESBYTERIAN COMMUNITY SERVICES

(Registered under the Societies Act, Chapter 311)

Report on the Financial Statements

We have audited the accompanying financial statements of Presbyterian Community Services (the "Society"), which comprise the statement of financial position as at 31 March 2013, and the statement of financial activities and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Society's management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Charities Act (Chapter 37) (the "Charities Act"), the Societies Act and the Charities Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PRESBYTERIAN COMMUNITY SERVICES (cont'd)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements are properly drawn up in accordance with Charities Accounting Standards so as to present fairly, in all material aspects, the state of affairs of the Society as at 31 March 2013 and the results, changes in funds and cash flows of the Society for the year ended on that date.

Report on Other Legal and Regulatory Requirements

In our opinion:

(a) the accounting and other records required by the regulations enacted under the Societies Act to be kept by the Society have been properly kept in accordance with those regulations; and

(b) the fund-raising appeals held during the period of 13 March 2012 to 26 May 2012 and 22 June 2012 has been carried out in accordance with regulation 6 of the Societies Regulations issue under the Societies Act Chapter 311 and proper accounts and other records have been kept of the fund-raising appeal.

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:

(a) the use of the donation moneys was not in accordance with the objectives of the Society as required under Regulation 16 of the Charities (Institutions of a Public Character) Regulations; and

(b) the Society has not complied with the requirements of Regulation 15 (fund-raising expenses) of the Charities (Institutions of a Public Character) Regulations.
