Your kind support through this fundraising appeal will go a long way in partnering with us to serve the beneficiaries of the following services and programmes: **(1) Senior Services** – our 5 Active Aging Centres, 2 Maintenance Daycare Services and 1 Home Care Service ensures seniors age-in-place healthily, interdependently, and purposefully. **(2) Special Needs Services** – our Educarer Aide Training (ECAT) programme equips clients with mild learning disabilities to pursue meaningful careers in the preschool sector, while our Institute of Special Programmes and Continual Equipping (iSPACE) also provides programmes to train educators and caregivers to manage children with special needs. **(3) Community Support** – our professionals provide early detection and intervention support through the Emergency Relief Scheme (urgent temporary financial aid) and Gerontological Social Work & Counselling.

Though PCS is a Christian organization, services are rendered to the needy regardless of race or religion and without prejudice. PCS is registered as a charitable body under the Charities Act (Cap. 37. 2007 Rev Ed.) (“Charities Act”) and has been a Full Member of the National Council of Social Service since 1985. PCS is also a foundation member of St Luke’s Hospital. To know more about our services, please visit our website at www.pcs.org.sg.

It is hard to go for my
medical checkups... I
can't travel on my own,
because I can't see.

Mdm Miriam Bte Sidin, 78
Medical Escort and Transport (MET) beneficiary
of PCS Dorcas Home Care Service

Help us to be their eyes, hands and feet

Being unable to see is scary. Yet, for the past five years, Mdm Sidin has had to rely on **one blurry left eye** to do everything. At 78 years old, she suffers from glaucoma, which has made her **right eye completely blind**. Despite two operations, doctors could not save her vision.

Mdm Sidin now moves around in a slow shuffle and relies on her hearing to “watch” TV programmes. In 2017, AIC referred Mdm Sidin to Presbyterian Community Services (PCS). Since then, **Dorcas Home Care Services (Dorcas) of PCS has been providing her with our Medical Escort and Transport (MET) service.**

Although she has two devoted nieces who check in on her weekly, they cannot accompany her to regular medical checkups as those usually take place during working hours.

“Medical appointments usually take two to three hours but

伸出援助之手

看不见是可怕的。但在过去的五年里，Sidin女士只能凭借着一只模糊的左眼来活动。78岁的Sidin女士患有青光眼，**导致其右眼完全失明**。尽管做了两次手术，医生还是挽救不了她的视力。

为此，Sidin女士只能以缓慢的方式来匍匐前行并用聆听“看”电视。AIC于2017年将 Sidin女士转介给长老会社区服务(PCS)。从那一刻起，**PCS多加家居护理服务 (Dorcas) 不间断地为其提供医疗护送服务。**

虽然她的两个敬业的侄女每周会探望她一次，但她不能陪她进行定期体检，因为检查通常发生在工作时间。

经常陪伴 Sidin 女士就诊的 PCS Dorcas 职员，

sometimes follow up tests can make it take up to seven hours! These seniors don’t have money to take a taxi also,” says Ms Annie Tan (featured on the cover), the PCS Dorcas staff who frequently escorts Mdm Sidin to her checkups.

Seniors with mobility and financial constraints, such as Mdm Sidin, are often tempted to skip medical checkups. However, **missing regular checkups can lead to serious health complications.**

Our MET service exists to fulfil the pressing need of such seniors. A wheelchair-accessible van, a driver and a PCS Dorcas staff are all needed to make each trip possible.

Many more seniors like Mdm Sidin and **clients of various ages and needs are on our waiting list.** Our resources are stretched. Please donate so that we can provide a full suite of services to all who need them!

陈安妮说道：“预约看诊通常需要费时2-3 小时，有时更长达5-7小时。而且，他们也无法负担德士费”。

像Sidin女士这样行动不便且经济拮据的老人往往不接受定期体检，但是这**可能会导致健康问题**，引发并发症。

PCS医疗护送服务旨在符合这些乐龄人士的实际需求。为了提供这项服务，我们需要轮椅可通行车辆、司机和PCS的员工。

PCS还有更多像Sidin女士以及**不同年龄和需求的受益人在等候名单中**。我们目前的资源捉襟见肘。为使这有意义的服务受惠于更多人，我们需要您的支持，以提供更全面及完善的服务。请慷慨捐赠!
