Our Student Care Services Philosophy

PCS believes in the uniqueness of each individual student and is committed to provide a conducive environment for the care of student, with a holistic approach for learning and development.

Beyond student supervision, PCS recognizes the importance of inculcating positive character and behaviours. Positive character and behaviours are best cultivated through mindset change and encouragement, beyond a set of dos and don'ts, and also beyond threats and punishments.

We believe that the best form of discipline is self-discipline. Students must find meaning and purpose through reflective practice to bring about effective mindset change and self-motivation for good.

"...whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things." (Philippians 4:8)

STUDENT CARE CENTRE @ GOS

"Inspiring Tomorrow's Community Today"

ABOUT US

Presbyterian Community Services (PCS) is a well-established Social Service Agency, with over 45 years of dedicated care to the needy in the community.

Education is at the heart of PCS. We are one of the foremost providers of pre-school education and has a wide range of services such as infant care, childcare – integrating young children with special needs in the typical classes.

In mid-1999, PCS set up Grace Orchard School (GOS) – an initiative of True Grace Presbyterian Church and Providence Presbyterian Church.

In the area of student care, PCS has experience operating in both school-based and community-based student care. PCS runs an integrated community-based student care centre at Pasir Ris.

Today, PCS has grown, with 29 touchpoints offering services spreading all over Singapore.

OUR PROGRAM

Our programme seeks to foster each student's intellectual, physical, emotional and social well-being within a stimulating and safe environment. We focus on:

- Character Development
- School-Wide Positive Behaviour Support System
- Homework Supervision
- Outdoor Activities
- Adaptive Daily Living Activities
- Life Skills Training
- Enrichment Programmes
